

NORWOOD PLAZA II. The second phase of a successful office project that captures every aspect of the finest in professionalism. Norwood Plaza II offers several advantages designed to meet your space needs. **DESIGN.** Norwood Plaza II is designed to blend efficiency with amenity. A warm lobby welcomes visitors to the building. The lobby opens to attractively designed corridors and an elevator servicing the upper floor. The unique design of the building allows for efficient space planning to maximize corner space for executive offices. **EXTERIOR.** Terra cotta colored brick with bronze tint glass cover the exterior of the building, giving the correct impression of excellent quality. **INTERIOR FINISHES.** Interiors are quiet and are finished in the highest standard of materials, each blended carefully to give your company a custom design and finish to suit your needs. Each tenant has individual heating and air conditioning providing maximum comfort and cost control. **LOCATION.** Located on a cul-de-sac first impressions relay a neighborhood quietness with a professional setting. Norwood Plaza II is strategically located in the heart of the Dallas/Fort Worth Metroplex. The building provides convenient access to DFW Airport, downtown Fort Worth, Las Colinas as well as North Dallas. **PARKING.** A spacious parking lot provides convenient access to the building for you and your clients. **NORWOOD PLAZA II.** A unique building that blends efficiency with professionalism, and location with convenience to provide your company with a productive environment demanded by today's businesses.

NORWOOD PLAZA II. The second phase of a successful office project designed to assure you of a superior environment for your office needs.
